Hi Pam,

Although the company now states that Andalex Resources Inc is 100% owner their chart that they previously submitted shows 50% which I used to create the entry into AVS. I will need a Secretary Certificate stating that it was submitted in error to remove the 50%.

Previously Michael McKown SEC and Robert Moore TRS were submitted as beginning on 02/16/06. Current submission states December 16, 2006. I need a Secretary Certificate to correct the error.

*L. Keene*  
*c/oas/0032* *OK*

Other than these three changes this company is good.

Thanks.
